

## Pool Sizing Chart

Note – A starter kit is required, additional panels and connection hardware can be purchased to supplement the starter kit. Add-on Kits help to optimize pool heating based on your pool size. Reference the chart below for your pool size, and then look up the collector size which is the best fit for your roof space or frame.

Pool Size	Collector Size		
	12 x 4	10 x 4	8 x 4
	Add-on Kit	Add-on Kit	Add-on Kit
12 x 24	0	1	1
14 x 28	1	2	3
16 x 32	2	3	5
18 x 36	4	5	7
20 x 40	5	7	XXXX

Spacer kits are available to help overcome roofing skylights, plumbing pipes and vents.

12 inch spacer kit \$70

24 inch spacer kit \$80

36 inch spacer kit \$90

For more technical roof configurations like mixing panel sizes, or rows please call for advice.
